## CATS Journal

You are to write a four paragraph essay about the musical *CATS*. You are to answer these questions in one paragraph each:

**PARAGRAPH 1.** Did you enjoy the musical? Explain in detail why or why not.

**PARAGRAPH 2.** Which cat personality did you like the least? Describe this character and explain why.

**PARAGRAPH 3.** Which cat personality did you like the most? Describe this character and explain why.

**PARAGRAPH 4.** Would you recommend this show to anyone? Explain in detail why or why not?

Each paragraph must be at least four complete and complex sentences. Be sure to indent each new paragraph. Spelling counts, so be accurate.

When you have finished writing your essay, you are to draw one of the scenes from the movie that you liked or illustrate one of the characters. Neatness counts. Be creative and colorful.

This assignment is also part of your major project that is coming up next! If I am not satisfied with this journal and character drawing, you will do it again. Do your best THE FIRST TIME!
